MARKET

UAE proptech Keyper raises \$11M Series A amid slowing proptech funding

Dubai-based proptech Keyper closed an \$11M Series A (2026-07-11, Gulf Business). Notably, <https://news.google.com/rss/articles/CBMiAFBVV95cUxOekthOGRKLWQ5Sk13REd6NkxYZUINRUl6dGZ3NWtZWlackthNklrUDFma> Bisnow reported (2026-07-08) that overall proptech funding is slowing sharply in an uneven

VC market — so capital is concentrating in fewer, regional winners.

Mulak angle: A funded proptech in Mulaks home region (UAE/Dubai) is a potential direct

COMPETITOR

AppFolio rebuilds asset management on AI-native architecture

AppFolio announced (2026-07-10, via The Real Deal) an AI-native architecture for asset management, and analysts (Seeking Alpha) are framing AI as its competitive moat. A direct

PM-software competitor shipping deeper AI into its core product.

Mulak angle: AppFolio going AI-native raises the bar on what landlords expect from PM

COMPETITOR

RealPage acquires Cherre to build AI-powered real estate intelligence platform

RealPage announced (2026-07-14) it is acquiring real estate data company Cherre to create a unified AI-powered intelligence platform across the full real estate lifecycle. Signals

major consolidation and an AI-data land grab among large PM/real-estate software players.

Mulak angle: Big incumbents are betting that AI + unified data is the moat. Mulak should

MEME FORMAT

Stay In Character (Backrooms brainrot)

Viral early-July format built on a Backrooms scene where a character must stay in character despite absurd interruptions; used as a reaction/brainrot template. Explained by Know Your

Meme 2026-07-02.

Mulak angle: Usable as a relatable employee angle: property manager trying to stay

MEME FORMAT

Preparing For My Netflix Documentary

A fast-rising format this week where people narrate mundane life moments as if they're the dramatic B-roll in a prestige Netflix true-crime/biography doc — deadpan voiceover over

ordinary footage. Documented and explained by Know Your Meme and Yahoo on 2026-07-13.

Mulak angle: Perfect low-effort format for Mulaks Poster: film ordinary property-manager pain (chasing rent, 2am maintenance call) as somber Netflix-doc B-roll, then reveal Mulaks
